Southern Bears (Knox) Basketball Club Inc.

Southern Bears was established in 2006 in the Southern Region. Created by a group of boys, who wanted to share their passion for the game with friends.

Bears means strength, loyalty, family, bond... This is what the club is based on, friends playing competitive basketball.

Southern Bears is a volunteer based club, with teams playing in grades ranging from "A" to "E" grade, boys & girls U8-U23. Senior men & women teams, minimum age is 15 to qualify.

We are not about size, rather about happy teams who are great friends and develop their basketball skills in a fun environment.

Teams are based on friendship and playing ability.

Southern Bears has a mixture of players from Representative to never played before.

All boys and girls are welcome, including whole team groups.

Coaches & Training

All our coaches are volunteers, they are either parents or current or past players. Some have been coaching for many years.

Most of our coaches have their level 1 accreditation and some are working towards level 2. They understand ongoing training is the key to staying fresh, up to date and guarantees continued growth. "You never know enough and should strive at all times to improve on self".

Their love for the game wants to see players have fun while developing their skills and become accomplished players.

Training is once per week for an hour in the Rowville area at excellent and appropriate facilities.

Seasons & Games

There are 2 seasons a year, both of which run approximately 5 months.

Summer Season starts November, Winter Season starts May. Registrations are accepted during August and March. Game

times are Saturdays & Sundays, subject to age and grade.

Fees & Uniforms

Fees include all association costs (except door fees), all training costs & club trophies.

Uniforms are charged with no club mark-up.

Attitude

"Life is 10% what happens to me, and 90% how I react to it. And so it is with you, **Southern Bears**,... we are in charge of our **Attitudes**."
